EXPLORE HIDE BOOTH

1

SUPER EFFICIENT VENTILATION SYSTEM

Quiet and efficient ventilation is switched on automatically when person enters the booth; adjustable by a convenient knob.

2

LIGHTING

Automatically switched LED lighting is directed straight on the shelf.

3

MAGNETIC DOOR

Trouble-free magnetic door closing with a convenient handle made of ash plywood.

4

POWER

230V power socket + 2 x USB sockets

5

SHELF

Wooden shelf perfect for a notebook and a cup of coffee. Enlarged model available with electrically height-adjustable desk.

6

ACOUSTIC FELT

Internal and external walls of the booth are covered with high-quality acoustic felt available in 2 colour versions or in additional colours of standard or natural wool felt (extra paid version).

7

SOUNDPROOFING

Multiple walls filled with an acoustic sponge and covered with felt provide perfect sound insulation at 36 dB (*refers to a single booth*).

WHAT MAKES US SPECIAL?

HIGH QUALITY AT A REALLY GREAT PRICE

We use excellent quality materials and offer the best price in Europe.

FAST ASSEMBLY

The booth has a modular construction so it is easy to assemble. The assembly process of a single booth takes about 1,5 hours.

THE MOST EFFICIENT VENTILATION SYSTEM

The biggest air flow of the fans comparing to competitive products. Easy adjusting the power of fans by a convenient knob.

SHORT LEAD TIME

Your purchase will be ready to be sent in a maximum of 15 working days.

INNOVATION LEADER 2021 AWARD

In June 2021 we received the Innovation Leader award in the category: product of the year. The competition has been organised since 2001, under the honorary patronage of the Ministry of Development, Labour and Technology of Poland.

FUNDING FROM UE

We have received substantial funding from the European Union under the Intelligent Development operational programme.
