We bring excitement to work

Virksomhedens visuelle identitet bliver mere og mere vigtig og dermed også indretning af arbejdsrummet.

Det behøver ikke være kedeligt...

Hos Holmris Group skaber vi ekstraordinære løsninger der understøtter arbejdsglæde, innovation og effektivitet - hvor mennesker udfolder sig optimalt. Vi ønsker at begejstre og inspirere med vores unikke og nordiske designløsninger.

At være noget særligt...

Ønsker du også at skabe excitement og differentiere din organisation fra det ordinære, står vore passionerede medarbejdere klar til at guide dig, så vi sammen kan udvikle netop den identitet og adfærd du ønsker at understøtte i dit arbejdsrum.

*

The visual identity of the company is increasingly vital and with that, also interior design of the workspace.

It does not have to be dull…

At Holmris Group, we create extraordinary solutions that support the pleasure of work, innovation and efficiency – and where people unfold their full potential. We wish to enthuse and inspire with our unique and Nordic design solutions.

Being something special….

Are you also passionate about creating excitement and distinguish your organization from the ordinary, our passionate staff are ready to guide you, and together we can develop exactly the identity and conduct you wish to support in your workplace.

VERDENSHJØRNER

HOLMRIS

Holmris A/S er et familieejet firma, som gennem 3 generationer har leveret møbler til bolig- og projektmarkedet.

Siden 1994 har vi specialiseret os i kontormøbel-inventar og er nu blandt de mest innovative danske virksomheder indenfor dette område. Vi har hele tiden fokus på ergonomi, funktionalitet, design og trends. Dette gør, at vore møbler lever op til de krav, der i dag stilles til moderne kvalitetsmøbler.

Holmris A/S is a family owned company, and through 3 generations Holmris has supplied the Danish living- and project market with premium-quality furniture.

Since 1994 we have specialized in manufacturing office furniture and are now among the most innovative Danish companies within the furniture industry. We keep constantly focus on ergonomics, functionality, design and trends, and our furniture meet today´s requirements to modern quality furniture.

DESIGNERE/DESIGNERS

Vi mener, at et godt design skal være baseret på analyser, forskning og kreativitet. Dette opnår vi kun ved at arbejde med de bedste designere og arkitekter.

We believe that good design should be based on analysis, research and creativity. And this can only be achieved by working with top designers and architects.
