

MUTE.

Space L

Meeting:  x4

Double:  x2

Made for a peaceful conversation

This functional pod is the perfect office hide-away.
A place to plan, create & debate.

Key benefits of a Mute Pod:

Cost-effectiveness:

The purchase and installation of our pod is more economical than building a conference room.

Plug & Play:

Ready to use immediately after a quick and simple installation. Easy to move to a new location.

Sound Mastery:

Exceptionally high level of sound insulation developed and tested by acoustic experts.

Silent & Efficient Ventilation:

Keeping you comfortable during long meetings without disturbing your colleagues.

Notable features

Meeting: **Sliding tabletop**

Meeting: **Sofa** (version without armrest)

Double: **Ergonomic tabletop for two**

Meeting and Double: **Control panel**

3 steps to configure your Pod

Step 1: Choose variant

Select Pod variant based on your needs:
Meeting or Double

Configure your own Space L at:

Meeting version*
Double version**

One size two functions

Technical data

Assembly time: 3 h / 2 x 4

Mobility: Yes

Materials used:

- Construction: a plywood framework filled with a proprietary composition of sound isolating and absorbing materials with extra vapor control layer
- Exterior: painted metal and veneer or laminate
- Interior: felt
- Glass: soundproof glass

Parameters:

- Exterior: 2200 mm*1300 mm*2247 mm [L*W*H]
- Interior: 2000 mm*1192 mm*2080 mm [L*W*H]
- Door opening left- or right-handed with a width of: 900 mm
- Meeting version:
 - Height of the sliding table: 700 mm
 - Height of the sofa seat: 430 mm
 - Height of the back: 735 mm
- Double version:
 - Height of the desk: 1100 mm
- Weight of the sofa with armrest: 23 kg
- Weight of the sofa without armrest: 17 kg
- Weight net:
 - Meeting version: 725 kg
 - Double version: 695 kg
- Monitor arm: VESA 75 and 100 compliant

Acoustic properties:

- One of the best sound insulation results on the market [ask for more details]
- Very short reverberation time inside: RT20 ≤ 0,3 s
- Extremely quiet and efficient ventilation. Noise generated inside: ≤ 38db (Meeting), ≤ 39db (Double) / outside ≤ 36db

Energy consumption:

- During operation 47W, in standby mode 4.5W

2200 mm

Space L Meeting

2 x 4

Recommended for:
Collaboration,
Video conference

2247 mm

Space L Double

2 x 2

Recommended for:
Collaboration, Focused work
in pairs, Video conference

In perfect
harmony:

Volatile Organic
Compounds and
Formaldehyde free

Similar idea.
Different needs.
